League of Women Voters of Clermont County
LWVClermont@gmail.com www.LWVClermont.org

The League of Women Voters is a national, nonpartisan organization, founded in 1920 as an outgrowth of the suffragist movement to help 20 million women carry out their new responsibilities as voters. Quickly, it became renowned for its even-handed ability to make complex issues accessible. It has remained true to its nonpartisan vow to neither support nor oppose any political party or candidate. League members study issues of concern at all levels of government--local, state and national. The League has always championed positions - but only after members deliberated on an issue and arrived at a grassroots consensus.

The local League moderates candidate forums; sponsors "Now You're 18" assembly programs in all Clermont high schools; publishes a Directory of Public Officials; and studies and informs Clermont County citizens on local issues. All citizens, 18 years or older, are welcome to join. For membership information, submit the form at www.LWVClermont.org.
